

## TECHNICAL DATA SHEET

### Product Name

# Legacy Matt Textured 310gsm

### Product Description

Legacy 310gsm is 100% cotton Fine Art paper with a soft grain surface. It has been developed as a sister paper to Legacy Gloss and has NO OBA's meaning it offers the highest archival properties. The paper's soft grain surface delivers a high D-MAX and wide colour gamut and is excellent for B&W & Colour images. When used in conjunction with pigment inks it will ensure a print life of more than 85 years. Compatible with both dye and pigment inks.

### Features

- Fine Art Soft Grain Surface
- Natural white base
- Acid free
- 100% Cotton
- Pigment & dye ink compatible
- High D-Max
- Archival

### Technical Information

Thickness	460 µm
Weight (gsm)	310gsm
Coating Type	Matte
OBA	No
Whiteness (CIE)	86
Brightness (TAPPI)	86
pH	7.5-9.5
Opacity	-
Recyclable	Yes

### Suggested Applications

- Fine Art and photographic open and limited edition prints
- Fine Art and photographic reproduction and restoration
- Portfolios
- Albums
- Cards and postcards

### Paper Handling

- Fine Art papers are fragile and need to be handled with care. Try not to touch the surface of the paper.
- Glossy papers will mark more easily with grease from your fingertips.
- Leave papers open to the air to fully dry for a few hours after printing, (24 hours are recommended) and avoid stacking on top of each other straight away.
- A giclée varnish or spray will help protect your print further from damage, effects of UV light and environmental attack.

### Storage and Conditions of Use

- The storage of all papers should take place in a recommended climate of 15-25°C, relative humidity of 40 - 60% and out of direct sunlight.
- Do not exceed temperatures of 82°C (180°F) when dry mounting.
- Return unused paper to the original box and store flat. If storing the paper outside the original box, only use archival packaging.
